"Caring, compassionate
help for women and men
in need!"

Give an End of Year Gift Today!

Why Give?

Because Heartbeats cares for every life, for over 20 years offering pregnancy testing, information and now FREE Ultrasounds to women facing an unplanned pregnancy – your donation allows families to get the items they need to parent effectively, the education they need to make life-affirming choices and the support they need to face each day with courage.

How to Give

There are a variety of ways to give a generous gift. Donations of any size or type make an impact, encouraging LIFE. Simply scan the QR Code below or go to supportheartbeats.org/donate.

The Impact

SAVE A BABY - When women facing crisis pregnancies visit pregnancy centers like Heartbeats, it costs on average \$1200 to save her baby from abortion.

FUND AN ULTRASOUND - When abortion-minded women have an ultrasound and see their unborn baby on the monitor, 80% of the time they choose life.

BUILD A NEW FACILITY - Help us build a state-of-art facility in the heart of Denver to serve more families.

A Note from the Interim CEO

Dear Friends,

I can't tell you how blessed I have been to serve the Lord in this position. Over the past 24 years I have had the privilege of watching the Lord grow this ministry from a volunteer-only, part-time effort into a flourishing full-service medical clinic.

God is doing a great work here through the staff and friends of our center and I want to personally thank each of you who has partnered with us to make this possible. Nothing gives me more joy than to see the look of love on a young woman's face when her baby, once considered a "mistake" or "problem" has become the light of her life. Your commitment and sacrifice make this ministry possible. Never has our world needed to see God's love demonstrated more desperately than it does today. We have the opportunity to display the love of Christ through our actions by meeting our clients where they are and pray that God gives us the opportunity to share the Gospel of Christ with our words. Thank you for supporting us as we share the Truth, educate those in our care and nurture a culture of Life and Love.

Crystal Regan

Transitions

Staff changes at Heartbeats:

CEO - Jessica Quinn

Development Director - Melinda Urban

Office Manager - Cindy Lanier

CLIENT SERVICES, FREE of Charge

- Pregnancy Testing
- Ultrasound
- Education

143 abortion-vulnerable clients gave life to healthy babies!

Help us build our Forever Home in 2023!

New Facility
Smith Harbour Drive off Hwy 16 Business
1.5 Acres of Land - Donated

5500 sqft Building - \$1,200,000.00

What we have **\$725,000.00** *What we still need* **\$475,000.00**

Give online at supportheartbeats.org

Every penny raised through this end of year campaign will go toward our new building allowing us to serve more women and save more babies from the tragedy of abortion. After 49 years, and more than 63 million abortions, Roe v Wade has come to an end. This changes everything. There are going to be huge differences in abortion laws:

- complete bans in some states
- sweeping, stronger protections in other States
- North Carolina remains one of 27 states with lawful abortion, making us a destination for people seeking care from bordering States
- clinical and medication abortions — as late as viability (up to 28 weeks)

This means more women will be searching online to find services in NC and we must have a prominent presence to reach those considering aborting their child. While Roe v. Wade itself was a costly and tragic failure, costing millions of unborn lives and decades of political division, the fallout from its demise may be even worse. In anticipation of continued growth, and with the generous donation of land given to us last year, we are eager to begin construction on our forever home in the heart of our community. Your gift will grant us:

- Availability to every woman considering abortion in our State
- 2 additional Ultrasound Rooms
- 3 Education rooms plus flex space for group classes
- Ample Parking for Clients, Staff and Volunteers
- Lab space for STI testing
- Prominent location in the heart of Denver

As soon as we have \$900,000.00 in the building account, we will break ground! Would you please consider an end of year gift to help us reach our goal and start construction in 2023? Supporting Strong Women & Healthy Babies. **Every** gift matters to **Every** heartbeat.
