SPRING FUNDRAISER 2023

A big THANK YOU to all of you who helped make our spring event a HUGE success. We hope you had a wonderful night. It is because of your generosity that we were able to raise approximately \$193,000. If you were not able to attend but would still like to give a one time or monthly gift, you can scan the QR code to the right, visit our website, or mail a check today. Your gift helps fund our programs and incentives, and any excess of our annual budget will go to the building of our forever home.

BUILDING UPDATE

What we have: \$825,000

What we need: \$375,000

Our goal is to break ground on our new building this summer and ONLY need \$75,000 more before we start!! Can you help make that happen?

We have finalized the interior designs of the building, to include THREE ultrasound rooms, THREE dedicated client education spaces plus a flex space for group classes, and a lab for us to begin STI testing, something we are not able to do where we are now.

Please pray for guidance as we make final preparations to begin the building process and for us to be a light in the heart of Denver.

CLIENTS IN BLOOM

We work hard educating and equipping our clients, but we also build relationships so that we can share the love of Jesus with them.

One way we build relationships is by having monthly client events. This March we had a "Planting Party" where clients learned about planting and growing plants. In April we hosted a "Basket Party" where clients learned sewing basics and how to make a basket out of fabric.

While these events are essential in building relationships, they are also opportunities for our clients to learn new life skills.
